

JOIN US FOR OUR FIRST-EVER GLOBAL

HOSPITALITY GRADUATE SCHOOL FAIR

LOOKING TO INCREASE ENROLLMENT FOR
YOUR GRADUATE PROGRAMS? WE ARE, TOO!

To encourage our students to explore graduate degrees in hospitality and to help build the academic pipeline to supply well-trained future educators for programs across the globe, Hilton College is hosting its inaugural Hospitality Graduate School Fair in Spring 2021. Virtually, of course!

This FREE event is a “win-win” for students and hospitality graduate programs alike.

For students, this fair provides –

- A one-stop marketplace to learn about the wide range of hospitality programs available
- An opportunity to compare programs, ask questions and find the best fit to match individual career goals
- A convenient forum to gain a better understanding of what it means to pursue a graduate degree
- A catalyst to take that first step toward elevating their professional potential

For partnering schools, participation means –

- Access to a large pool of potential graduate students
- A one-of-a-kind platform to showcase programs
- Collaboration with peer institutions to grow the next generation of hospitality leaders and educators
